Home office fixes to help you focus and flourish

ARTWORK: LEONIE BOS INTERIORS: OLLY MASON WRITER: LEA TEUSCHER

As home working is here to stay, we're investing in a fine desk, such as the Burattis' 'Gullwing' table for Lema or David Thulstrup's 'Landscape' table. Topped with Sørensen leather, the latter has a discreet drawer with room for a silver Hieronymus pen or two and silk notebooks, or a powerful iPad Air and slimline Samsung Galaxy Book S. Connect these to Transparent's speaker for musical inspiration, try Anatomé's Focus + Concentration oil for a boost, and stay on track with Lavazza's 2021 calendar, a photographic treat. Take Zoom calls in comfort with Sebastian Wrong's 'Lucio' chair for Established & Sons and GamFratesi's 'Romby' for Porro, while good lighting – Ilse Crawford's 'w203 Illumina' for Wästberg and Tobias Grau's 'Team Suspension' – will ensure you look your best. ★
